

APPENDIX A
How Your Payment Will Be Calculated

The Settlement Fund from the Ford Canada settlement totals \$82 million. Deducted from the Settlement Fund prior to distribution will be certain amounts to be decided by the Court: (i) attorneys' fees (not to exceed 33.3% of the Settlement Fund, or approximately \$27.3 million); (ii) unreimbursed costs incurred by Plaintiffs' Counsel (not to exceed \$2 million); (iii) costs to provide notice of the settlement to Class Members (up to \$5 million); (iv) administration costs (which depend on the number of claims filed);¹ and (v) service awards to three named plaintiffs and/or Class Members of up to \$5,000 each (for a total of up to \$15,000). After these deductions, the Net Settlement Fund is estimated to be approximately \$47,679,000.²

The Net Settlement Fund will be distributed on a weighted *pro rata* basis to Class Members who filed valid claims based upon their new vehicle purchases and leases during the Class Period (January 1, 2001 through April 30, 2003). Class Members who file valid claims are called "Claimants."

As discussed in Paragraph 9 of the Notice, your payment from the Net Settlement Fund will depend on the make, model and date of purchase/lease. To determine your payment, the Claims Administrator (the company that processes your claim) will take the following steps:

1. For each vehicle you purchased/leased, the Claims Administrator will select the corresponding Recognized Claim Amount calculated by Plaintiffs' expert economist. The Recognized Claim Amounts by make, model, and month and year of purchase/lease are contained in the table attached as Appendix B. These amounts represent the estimated amounts that the price of each particular vehicle model was inflated due to Defendants' alleged conspiracy during the Class Period. **The Recognized Claim Amounts do not represent the payment you will receive from the Settlement. Most likely, you will receive less than your Recognized Claim Amount.**
2. The Claims Administrator will then add up the Recognized Claim Amounts for all vehicles you purchased or leased. This will be your Total Recognized Claim Amount.
3. To calculate your payment from the Net Settlement Fund, the Claims Administrator will then multiply the Net Settlement Fund by the ratio of your Total Recognized Claim Amount to the sum of all Claimants' Total Recognized Claim Amounts.

The following formula illustrates this calculation:

¹ Although administration costs will depend on the number of claims filed, the total costs of notice and claims administration will not exceed \$5 million.

² The actual amount of the Net Settlement Fund may vary depending on the amount of notice and claims administration costs actually incurred, the amount of attorneys' fees and costs actually awarded by the Court, and the amount of service awards actually awarded by the Court.

$$\text{Your Payment} = \text{Net Settlement Fund [approximately \$47,679,000]} \times (\text{Your Total Recognized Claim Amount/The Sum of All Claimants' Total Recognized Claim Amounts})^3$$

If you are entitled to a payment from the Settlement Fund, you will be sent an email and/or mobile phone text notifying you of the payment along with a number of digital payment options you may select to immediately receive your payment. Digital payment options will include, for example, a virtual debit card, payment via PayPal, or redemption through other ecommerce platforms. If you have one, you must provide a valid email address or mobile phone number when filing your claim in order to receive a payment (see the Notice at Paragraph 10 to learn how to file a claim). When you receive the email or text notifying you of your payment, you are strongly encouraged to select one of the digital payment options offered. If you wish to receive a paper check, you may request one when you receive the payment notification email or text. A paper check will take additional time to process, while a digital payment is instantaneous. If you have an email address or mobile phone number, you may only request a paper check if your payment amount is \$10.00 or more. If your payment amount is less than \$10.00, you may only receive your payment digitally. However, if you do not have an email address or mobile phone number, you will be mailed a paper check even if your payment is less than \$10.00.

³ For example, if your Total Recognized Claim Amount is \$200, and the sum of all Claimants' Total Recognized Claim Amounts is \$20,000,000, then the ratio here will be calculated as \$200 divided by \$20,000,000, which equals 0.00001. Your payment will then be determined by multiplying 0.00001 times the Net Settlement Fund.
